TUCK'S POST CARD

POSTKARTE.

Dotheboys Hall. "A long cold-looking house, one story high, with a few straggling out-buildings behind, and a barn and stable adjoining." And in this miserable place, miserable little boys were sent to school by the relatives who either disliked or did not want them. Dickens's exposure of one Yorkshire schoolmaster and his methods, in "Nicholas Nickleby," was a deathblow to several such establishments in Yorkshire.
